Introduction: This is the THIRD running of the Sydney HP Open that we hope will continue to grow and rival the large MSD event, the Sydney Cup. This International course is the largest across the course event in the world for both the service and match rifle shooter. Every rifle enthusiast should not miss this event – something for everybody.

SUNDAY Schedule

Ammo: 58 match rounds per class plus 5 or so warm up rounds.

7.30am, arrive and sign-on, scrutineering and briefing.

8.00am: Warm Up – 5 min @ distance selected on the day - (supports allowed).

HIGH POWER RIFLE: “National Match Course” as follows.

Day Outline: This event is shot on a range with a butts target system. Shooters will be broken up into 4, or more, details. During matches, one detail will be shooting while another will be scoring. Remaining details will be operating the butts and targets plus spotting shots and assisting where ever possible. We need everybody to please “do their bit”.

Rifle Specification/Classes: Note: ALL rifles, of any spec, must have an operating magazine. Rifles are forwards compatible, i.e. Spec 1 can be used in Spec 3 etc. This discipline has something for everybody.

Spec 1: Service - Standard Iron - Any issued iron sights service rifle in original condition – zero modifications.

Spec 2: Service - Modified Iron - As above, or faithful reproduction, modified beyond spec - service calibre.

Spec 3: Match - Match Iron - Any commercial, custom or service rifle, of any calibre, with iron sights.

Spec 5: Service/Match – As per Specs 1, 2, or 3 but fitted with optical sights.

Note: Shooters may be permitted to cross enter in up to max 2 rifle specifications/classes – time depending only.
